

Align

```
Align(  
  alignment: Alignment.topLeft,  
  child: IconButton(  
    padding:  
      EdgeInsets.symmetric(horizontal: kDefaultPadding),  
    icon: SvgPicture.asset('assets/icons/back_arrow.svg'),  
    onPressed: () {  
      Navigator.pop(context);  
    },  
  ),  
)
```
