

Django Migrations

snippet.py

```
#  
$ python manage.py makemigrations <app-name>  
  
#  
$ python manage.py migrate <app-name>  
  
#  
$ python manage.py showmigrations <app-name>  
  
#                               SQL  
python manage.py sqlmigrate <app-name> <migration-name>
```
